Stone Memorials

These have been designed to maintain the rural character of the Burial Ground and in keeping with the memorials in the Quaker Burial Ground.

Should you require a memorial the attached order form should be returned to us. We will prepare a printout and costing for your approval. The memorials, once ordered, will be complete in approximately two months.

Memorials and trees must be in accordance with the regulations of, and authorised by, Friends of Nature Burial Ground.

We reserve the right to remove unauthorised memorials and trees in order to maintain the site.

For further information please contact the Friends of Nature Burial Ground.

Planting

Each year in early December an area will be planted in memory of those people buried during that year.
